Divination for the year of the Monkey – Under the Sea This Chinese divination tool is one of the most traditional and widely used methods of prediction that comes from China. It is believed that the image is very accurate and can show you the future and events, as well as answer questions related to your life. In this tool, you will see several animals such as lion, dragon, tiger, snake, crane, chicken, rabbit, dog, monkey and pig. Besides these animals, there is another group of animals as well. The animals from this group are symbolised with the Chinese zodiac icon that are shown on the zodiac signs. Once you enter your zodiac signs, the images of animals that will appear in the chart will also be shown. Depending on the order in which you choose your zodiac signs, you will see the order that the animals will appear in the chart. For example, if you choose the year of the snake, there will be snakes and dragons on the chart. If you choose the rat, it will have rabbits, rats, mice and lizards on the chart. Keep in mind that the picture looks different in this tool. For example, a rat looks like it is on a hill, and

it will appear on the left side. So, it is good if you learn the significance of each image of the tool to know what the picture represents.
